

Certified Private Loan Application & Solicitation Disclosure

Loan Interest Rate & Fees

Your **starting interest rate** will be between

3.75% and **9.50%**

After the starting rate is set, your rate will then vary with the market.

Your Starting Interest Rate (upon approval)

The starting interest rate you pay will be determined after you apply. It will be equal to the Prime Index plus Margin. The value of the Prime Index varies with the market each quarter. The Margin is a fixed value that is set at the time of your application, based on your credit history and other factors including your cosigner's credit history (if applicable). If approved, we will notify you of the rate you qualify for within the stated range.

Your Interest Rate during the Life of the Loan

Your rate is variable. This means that your rate could move lower or higher than the rates on this form. The variable rate is based upon the Prime Rate (as published in the *Wall Street Journal*). For more information on this rate, see the reference notes.

Although the interest rate will vary after you are approved, the interest rate will **never exceed 18%** (the maximum allowable for this loan).

About this example

The repayment example assumes that you remain in school for 4 years and have a 6 month grace period before beginning repayment. It is based on the **highest starting rate currently charged** and associated fees. You always have the option to make payments ahead of schedule without penalty. By making payments ahead of schedule you can reduce the total cost of your loan.

- For more information and the most recent value of the Prime Index, visit DiscoverStudentLoans.com/policies/prime-index-and-apr.aspx
