I. Create a Safe and Active Pedestrian Environment on Penn Avenue

II. Continuing the Safe Pedestrian Route to Campus

III. Future Vision that Connects the Surrounding Communities

Public Improvements Vision Plan
I. Create a Safe and Active Pedestrian Environment on Penn Avenue

Pedestrian Safety and Activity

Goals:

1. Create a buffer between the curb and the pedestrian area of the sidewalk
2. Slow traffic by creating a vibrant streetscape with banners, lighting, and trees.
3. Slow traffic and encourage pedestrian crossing at the intersection with a planted median.
4. Create places along the sidewalk that encourage people to gather.
I. Create a Safe and Active Pedestrian Environment on Penn Avenue

Penn Avenue Places

Zone 1: Welcome to Chatham
• Street lights and trees to welcome the pedestrians
• New trees in the park to ensure the longevity of the planted park edge

Zone 2: A Tight Spot
• Maintain sidewalk with at the existing entrance
• Minimize the R.O.W. expansion with a planted median

Zone 3: Corner Convergence
• Existing building entrance at the
• Minimize the R.O.W. expansion with a planted median
