THE DILWORTH SOCIETY

The Dilworth Society was established during Chatham's 125th year to recognize dedicated alumnae and friends who wish to remember Chatham University in their estate planning. These plans, such as bequests, trusts or life income gifts, provide a legacy that benefits both Chatham and the donor. The Society is named for Joseph Dilworth, one of Chatham's founders and Board of Trustees member, whose bequest for \$10,000 established the building fund for the original Dilworth Hall. Documentation of a donor's intention to make a gift of this type to Chatham automatically qualifies for membership in the Dilworth Society.

Members receive *The Dilworth Planner*, a biannual publication that provides useful information regarding gift planning, and a gold-tone pin embossed with the Dilworth Society logo – derived from design elements etched in the glass windows of old Dilworth.

For more information about Chatham's planned giving opportunities or membership in the Dilworth Society, please call Samantha Swift, assistant vice president for university advancement, at 412-365-1652 or e-mail plannedgiving@chatham.edu.

Members of the Planned Giving Leadership Committee are indicated in *green and italic* ∞ = Deceased
