The **NCAA Division III** experience offers participation in a competitive athletic environment that pushes student-athletes to excel on the field and build upon their potential by tackling new challenges across campus.

Academics are the primary focus for Division III student-athletes. The division minimizes the conflicts between athletics and academics and helps student-athletes progress toward graduation through shorter practice and playing seasons and regional competition that reduces time away from academic studies. Student-athletes at Chatham balance rigorous academics and competitive athletics; allowing them to excel both in and out of the classroom.

Chatham is a member of the **Presidents' Athletic Conference (PAC)** for all varsity sports with the exception of ice hockey, which plays in the **United Collegiate Hockey Conference (UCHC)**, and squash.

Athletic & Fitness Center
