

For students entering 2023-2024

The Integrated Degree Program (IDP) allows Chatham University undergraduates the unique opportunity to integrate their undergraduate program with their desired Chatham graduate program. All first-year and transfer applicants are invited to apply to an IDP, as well as current Chatham undergraduate students who are performing well in their academic program(s). IDP benefits may include:

- Less of a financial commitment
- A faster track to graduate program completion

HOW TO APPLY TO AN IDP

FIRST-YEAR STUDENTS

When completing the undergraduate application to Chatham University, students should indicate their IDP of interest by selecting their desired graduate program. Students admitted to Chatham will then be considered for admission to the IDP Pathway.

IDP IN HEALTH SCIENCE & SCIENCE

Health Science

- Doctor of Physical Therapy (DPT)
- Entry-level Doctor of Occupational Therapy (ELOTD)
- Master of Physician Assistant Studies (MPAS)
- Master of Science in Counseling Psychology (MSCP)
- Master of Science in Nursing (MSN)

Science

- Master of Arts in Biomedical Studies (MABS)

Academic Requirements

1. Minimum cumulative high school GPA of 3.5
2. Full application review including college preparation curriculum, test scores, extracurricular involvement, and application essay

Students indicating interest in an IDP on their Chatham application who do not meet the academic requirements may be reviewed for IDP consideration upon completion of 30 credits earned at Chatham.

Admission Notification

Students will receive IDP Pathway admission notification on a rolling basis. Notification of IDP admission decision may be sent separately from admission to the University.

Admission Notification

Students will receive admission notification on a rolling basis.

HOW TO APPLY TO AN IDP

TRANSFER STUDENTS

Current college students with no more than 30 transfer credits are invited to apply to an IDP. When completing the application to Chatham University, students should indicate their IDP of interest by selecting their desired graduate program. Transfer students admitted to Chatham will be considered for an IDP track based on current academic performance as well as the academic requirements listed on this sheet. Final official high school transcripts are required for IDP review.

If you have any questions, please reach out to an admission counselor at 412-365-1825 or your academic advisor.

For additional details about Integrated Degree Programs and to check out program requirements, visit chatham.edu > Academics > Undergraduate Degrees > Integrated Degrees.

A note about holistic review

Chatham reserves the right to review all IDP candidates based on the quality of application, academic preparation including high school academic rigor, and standardized test score performance. The Office of Admission reserves the right to request additional information or require an interview in order to assess academic performance.
