What Students Say...

“The Writing Center is wonderful! I will be visiting them for the whole academic year with my papers. I appreciate everything the writing center through PACE has done for me the past couple of years!”

“My reviewer is awesome! She is so helpful and makes me feel like she really cares how well I do on assignments. She always asks about the grade and how I feel about something she may change or something that I received a grade on. I appreciate her time and talent.”
