LOCATION

With over 40,000 college students, **PITTSBURGH** is a vibrant city and one of America's great college towns. We've got professional sports teams, internationally renowned cultural institutions, a myriad of shopping and eating opportunities, outdoor adventures—and by car, it's only six hours to NYC, four and a half to Washington, D.C., and five to Philadelphia.

Chatham students live and study on some of Pittsburgh's most remarkable spaces.

SHADYSIDE CAMPUS encompasses a 32-acre arboretum right in the heart of the city. **CHATHAM EASTSIDE** is located in Pittsburgh's rapidly growing East End. And located 40 minutes north of Pittsburgh, the celebrated **EDEN HALL CAMPUS** is the world's first academic community built from below the ground up for the study of sustainability.

ACADEMICS

We have **OVER 40 MAJORS** to choose from in our areas of excellence—health & sustainability, arts & sciences, and business & communication. We also offer a plethora of minors that let you set yourself apart or pursue a passion.

IMMERSIVE MEDIA is a unique program that merges immersive virtual and augmented reality technologies, a program for a student who wants to work in any major industry from Schell [Video] Games to NASA.

Our **INTERIOR ARCHITECTURE** program is one of two accredited undergraduate interior design programs in the Western PA region, and many local design firms only accept Chatham students for internships based on their training.

We are proud to have been named a **COLLEGE OF DISTINCTION FOR OUR BUSINESS DEGREES**, recognizing them for their expert blending of the liberal arts with professional programming.

PSYCHOLOGY is our most popular major for undergraduate students, many of whom love to pair it with our criminology or social work degrees, or our accelerated Master of Science in Counseling Psychology program.

PITTSBURGH IS A CITY LEADER IN THE HEALTH SCIENCE INDUSTRY, with some of the top ranked hospital networks in the country.

EDEN HALL CAMPUS is a nearly 400-acre academic community dedicated to sustainable living and the modeling of sustainable approaches to energy, water and soil, food and agriculture, and air quality and climate.

.....

INTEGRATED DEGREE PROGRAM

By taking graduate classes during your senior year of graduate studies in Chatham's Integrated Degree Program (IDP), you'll complete bachelor's and graduate degree programs sooner, in some cases earning both in as little as five years. An IDP can often save you both time and money from completing the degrees separately, and helps you get a jump start on your career sooner.

ELIGIBLE GRADUATE PROGRAMS INCLUDE:

- Doctor of Physical Therapy
- Entry-level Doctor of Occupational Therapy
- Master of Physician Assistant Studies
- Master of Science in Athletic Training
- Master of Science in Counseling Psychology
- Master of Science in Nursing
- Master of Arts in Biomedical Studies
- Master of Business Administration
- Master of Fine Arts in Creative Writing
- Master of Science in Interior Architecture
- Master of Sustainability
- Master of Arts in Food Studies

.....

HONORS PROGRAM

Chatham's Honors Program is interdisciplinary and focused both inside and outside of the classroom. Features include opportunities in research, leadership and community engagement; honors-only sections of courses; and group outings to cultural and educational events throughout Pittsburgh.

.....

COLLABORATIONS WITH OTHER UNIVERSITIES

Through Chatham's membership in the Pittsburgh Council for Higher Education, our **STUDENTS CAN TAKE CLASSES FOR NO ADDITIONAL CHARGE AT NEIGHBORING INSTITUTIONS** including Carnegie Mellon University and the University of Pittsburgh.

We also offer opportunities for students to earn **ACCELERATED GRADUATE DEGREES** at institutions including Carnegie Mellon University, Duquesne University School of Law, Stetson University College of Law, and Lake Erie College of Osteopathic Medicine.

.....

PRE-MED ADVISING PROGRAM

Chatham has a robust pre-med advising program to support and mentor students interested in applying to medical, dental, veterinary, pharmacy, and optometry programs. The program students prepare for graduate school with mock interviews, essay advice, portfolio preparation, workshops, shadowing, and volunteer opportunities.

.....

PRE-LAW PROGRAM

Chatham's pre-law program is designed to encourage and support students with an interest in careers in law. It also helps students prepare to attend law school. The program includes the pre-law advisor, a pre-law minor, co-curricular programs offered in partnership with the Pennsylvania Center for Women and Politics, as well as the support of an advisory committee.

OUTCOMES

• • • **NEARLY 95%** of students who graduate are employed or enrolled in graduate school within six months.
