CHATHAM COLLEGE FOR WOMEN

Think globally.

Students from all over the world find their home at Chatham University. On average, 10% of Chatham's undergraduates come from 25 countries in Africa, Asia, Europe, Latin America, and the Middle East. Students from places like Japan, Bulgaria, Canada, Saudi Arabia, India, China, and Nepal share their heritage with our campus community. Cultural diversity is welcomed, fostered, and celebrated throughout the year.

At Chatham, we challenge our students to Think Globally. Environmentally. Civically. Confidently. Global understanding in particular is intrinsic to our vibrant academic community, and is something you'll experience both in and out of the classroom.

Chatham University. Big Thinking for a Big World.

Think green.

THE LEARNING ENVIRONMENT

Our 39-acre, park-like campus features century old mansions (many of which now serve as residence halls) as well as the latest in technologies, including wireless networks and a \$10 million science complex. In addition, Chatham University is just minutes from the city of Pittsburgh, museums, theaters, and shopping, as well as nine other universities.

Chatham University's new 388-acre Eden Hall Farm Campus is located north of the city in Richland Township. Programs at Eden Hall Farm will include an environmental learning lab, initiatives in sustainability and environmental studies, landscape architecture, biosciences and women's studies.

Fifty percent of the U.S. population lives within a 500 mile radius of Pittsburgh.

AT CHATHAM, YOU'LL FIND:

- Smaller campus and class sizes. Chatham is home to nearly 2,200 students, with an average class size of 14
- 9:1 student to faculty ratio
- 98% of undergraduate faculty hold a Ph.D. or terminal degree
- Five-Year Masters programs enable students to earn a bachelor's and master's degree in as few as five years
- First-year students are provided with a Hewlett-Packard tablet personal computer for use throughout our wireless campus
- Chatham Abroad offers students the opportunity to study around the world
- Cross-registration allows students to take courses at any of the nine major metropolitan Pittsburgh universities, including the University of Pittsburgh and Carnegie Mellon University
- *Community involvement:* By combining practical learning opportunities with career exploration, Chatham students typically complete thousands of community service learning hours worldwide each year
- *Outreach Centers:* Center for Women's Entrepreneurship; Pennsylvania Center for Women, Politics and Public Policy; Rachel Carson Institute; and the Global Focus Program, a multidisciplinary, campus-wide program that promotes political, historical, and cultural understanding of a specific region or country

Think civically.

CHATHAM UNIVERSITY AND THE INTERNATIONAL STUDENT

STUDENT SERVICES

International students benefit from an attentive, caring staff and on-campus services:

- International student orientation
- International visa advising
- Academic support services: ESL and content tutoring, student advising, and workshops for university success
- Intensive ESL classes for academic preparation
- Student health center staffed by a physician and nurse
- Unique on-campus residence halls and winter housing

ESL OFFERINGS AT CHATHAM UNIVERSITY

Chatham offers year-round English instruction focused on academic preparation for college success. Fall and spring semester-long courses provide a bridge for intermediate and advanced ESL students, and allow upper-level students to concurrently enroll in college coursework. The

summer program, American College English Program (ACE), combines intensive classroom study with weekly cultural outings, frequent student activities, and constant English input. For many, this provides a comfortable transition to the rigors of full-time study in the United States. Summer program participation requires a minimum TOEFL score of 475 or equivalent, and the fall or spring ESL courses require a minimum of 500 PBT.

STUDENTS WHO PARTICIPATE IN CHATHAM ESL COURSES WILL:

- increase* accuracy and fluency in English
- participate* in classroom discussions
- interact* regularly with American students and instructors
- benefit* from low student/teacher ratios (9:1)
- adapt* to U.S. academic and social life
- live* on campus apartments or residence halls
- grow* in a nurturing, supportive environment

Think globally.
