The only national organization with the sole focus of preparing college women for leadership in the public policy arena. PLEN’s mission is to increase the number of women in top leadership positions influencing all aspects of the public policy process. Programs take place in Washington D.C. throughout the year.

Students meet and learn from female leaders making and influencing public policy at the highest levels in Congress, the courts, federal agencies, the private sector, policy research and advocacy organizations, and the media. These women leaders serve as teachers as well as mentors. Students and scholars report this experience is invaluable. Contact Anna Gaglambro at aaglambro@chatham.edu for more information.

**December 1:** World Aids Day Awareness  
**December 5:** Nelson Mandela Day
We hope you will find this 5-month calendar useful and will post it on your wall. Do refer to it frequently as you plan your days. Please note that this calendar lists a minimal number of activities that will take place throughout the fall term. Listed below are ways to obtain information about upcoming activities:

- Check the calendar on MyChatham on a regular basis to make sure you are not missing out! Throughout the term more programs are added to the line-up so checking MyChatham is a good way to be informed about campus activities.
- If you are an undergraduate student, you will receive an e-mail titled CHATHAM HAPPENINGS weekly. Chatham Happenings is sent to you on Tuesday every week and it details activities taking place one week in advance.
- If you are a graduate student, you will receive an e-mail titled GRAD NEWS UPDATE. This e-mail is sent to you weekly and it details activities taking place two weeks in advance.

We look forward to seeing you at Chatham activities throughout fall 2014!
