The Lila Schantz Memorial Scholarship was created by Lila’s parents Faith Schantz and Tom Pandaleon to encourage young musicians. Lila was a former camper who attended the day camp with a Stolarevsky Fund scholarship and also worked as a Counselor in Training. This campership is available for either the six-week or the three-week program and may be a partial or full campership based on need and availability of funds.

The following criteria will apply:

1. Applicants must want to attend Chatham University Music and Arts Day Camp at Chatham University.

2. Applicants must demonstrate financial need.

3. Applicants must be interested in and take at least one class from the instrumental music category (by example: woodwinds, brass or string sectional, musical theater, piano lab, jazz or concert band or orchestra) while attending the camp.

4. Applicants must be entering 4th through 9th grade in the Fall of 2016

5. Applicants may apply for both the Schantz, CMADC and Stolarevsky Scholarships, but may only be awarded funding from one of the Scholarships.

Final selection of the scholarship winners will be decided by a Scholarship Advisory Committee. The Advisory Committee consists of members of the Schantz/Pandaleon families, their designees, and a member of the Chatham Music and Arts Day Camp administration. No member of the Scholarship Committee, or his or her immediate family, is eligible for scholarship assistance during his or her tenure on the Scholarship Committee. Payment will be made to Chatham University for the child.

Parents will be notified of the Committee’s decision by May 1, 2017. Camp tuition will be paid directly to the Chatham University Music and Arts Day Camp. In order to receive this campership award, the balance of the registration fee (if applicable) must be paid in full prior to June 1, 2017.
